

Karnes EC Celebrates Donna Pawelek's Retirement

AFTER 40 YEARS of dedicated service with Karnes Electric Cooperative, Donna Pawelek retired March 4.

Throughout her career Pawelek served as a member records clerk and staking coordinator, bringing dedication, professionalism and a strong work ethic to each position.

As she began retirement, Pawelek looked forward to spending time working in her garden, canning vegetables, hunting and fishing. She was especially excited to spend more time with her husband and family while continuing to enjoy life's journey one day at a time.

Pawelek said she is grateful for the opportunities she had during her time at the co-op, and she will miss working alongside a talented team.

On behalf of the board of directors and employees, we extend our sincere appreciation for Pawelek's years of service and wish her many years of continued health, happiness and enjoyment in retirement. ■
